Circulation

Discover the return on investment that we have been delivering to our advertisers since we published our first edition over 30 years ago. Our newspaper's 45,000 readership in each edition we publish, provides unsurpassed penetration into the emergency services community. 1st Responder News is delivered in BUNDLES to every single fire department, substation, rescue squad and EMS crew in each state we service. These first responders are the backbone of our state and their status as solid citizens is attractive to businesses both in and out of the fire, rescue and EMS supply.

Mechanical/Ad Specifications & Dimensions

Even though your advertisement can run any size you wish, we have put together a sizing grid that corresponds with our retail frequency rate card. If you would like to run an advertisement that is a different size than one shown below, charges will be determined by calculating cost per inch from the ad closest in size on the grid. When emailing ad material, sent to: Advertising@1strespondernews.com. Please send in PDF format with 300 DPI.

Additional Information

For additional information or assistance regarding ad material extensions, copy changes, status of materials supplied, or mechanical specifications for gatefolds, insert cards, flyers, preprinted sections, please contact the Production Department.

Additional Services Offered

1st Responder News' Creative Services department is available to all current and regular advertisers who need creative assistance in developing and creating ads, brochures, flyers, new release product sheets, press releases, etc. 1st Responder News offers a full scale comprehensive service that is capable of handling all of your publishing needs.
